What should people know about the wine (ideally not solely a wine description but also some information on the wine type to provide context for foreigners who are not familiar with it), please do not use 'I' and 'we' grammatical persons in this section; length should be 400-600 characters with spaces, in case the text is longer than 600 characters, the first 600 characters will be used:

Varietal wine from the benchmark grape variety of the winery with 2HA being the winery that introduced Sangiovese to Hungary. Harvested by hand into 12 kg boxes and carefully selected both in the vineyard and before destemming. The vinification process occurs with spontaneous fermentation in open wooden vats at controlled temperatures. Aging takes place in small 225-liter barriques for 12 months, then the wine is bottled without clarification or filtration. It undergoes a minimum of 12 months of bottle aging before being released to the market.
